AUDIT & ASSURANCE

EXTERNAL AUDIT

Through external audit services, we devote time to fully understand our clients and their business. By this, we can identify the key areas and risks to which the businesses are exposed and hence focus our audit effort thereon. We plan our engagements based on an assessment of internal controls and resources at client organizations, which in turn helps us to provide cost-effective external auditing services. The external audit ensures the completeness and accuracy of the accounting records within the accounting framework eradicating errors, frauds and misstatements. Saadiyat Accounting offers seamless external audit services to help companies to check their accounting documents.

INTERNAL AUDIT

Saadiyat Accounting is known as one of the top internal auditing service companies in Dubai with a top-notch team of experts who are devoted to the fields of auditing and bookkeeping services.
